Position Summary

Gear Energy is a public oil and gas E&P company with heavy oil production in East Central Alberta and West Central Saskatchewan, and light oil production in Central Alberta. Current production is approximately 7,000 boe/d. Gear currently has 23 professional and technical staff in its Calgary head office.

We are currently seeking an Intermediate Financial Accountant. This is a full-time 15-month contract position based in Calgary and starts immediately.

MAJOR RESPONSIBILITIES:

- Manage month-end process and prepare monthly reporting package and related working papers/journal entries
- Prepare annual and quarterly financial statements and note disclosures
- Assist in the preparation of quarterly reports including the MD&A and press release
- Preparation of financial accounting entries and calculations such as impairment, depletion, decommissioning, stock based compensation and deferred tax
- Research and document accounting position papers for recent or upcoming accounting standards in accordance with International Financial Reporting Standards (“IFRS”)
- IFRS 16 project implementation
- Preparation of ESTMA reporting
- Support for tax compliance
- Provide financial information and analysis on an as needed basis to all departments of the Company.
- Liaise with external auditors

QUALIFICATIONS:

- Professional designation in accounting is required – CPA, CA. No exceptions.
- A minimum five years of experience in the oil and gas industry
- Motivated individual with strong communication and analytical skills
- Keen attention to detail and strong work ethic complemented with highly developed interpersonal skills
- Proficiency at MS Office applications, specifically Excel; JV Nexus experience is an asset but not required

Applications are being accepted until June 11, 2018 and can be submitted to info@gearenergy.com.
