

GEAR ENERGY LTD. ANNOUNCES INITIATION OF MONTHLY UPDATES FROM THE PRESIDENT

CALGARY, ALBERTA, November 26, 2014 – Gear Energy Ltd. (“Gear” or the “Company”) is pleased to announce that starting today the Company will begin posting regular monthly updates to the website.

Management and the Board of Directors have decided to initiate this process in order to increase the frequency of communication with shareholders by providing brief operational updates on Gear as well as providing some perspective on the industry in general. The updates will include monthly estimates of production and capital investment and are targeted for release on the Gear website approximately three weeks following month end at www.gearenergy.com/investor-relations.

The President’s Monthly Update is another example of Gear’s desire to be fully transparent with shareholders on the status of their investment in Gear. Any updates that include information of a material nature will be preceded by a formal press release and the associated regulatory filings. The Company website also contains other useful information for shareholders including a straightforward summary of insider trading activity as well as a regularly updated corporate presentation and financial results.

Gear Energy Ltd. is Canadian energy company focused on the exploration and development of heavy oil weighted production primarily in east central Alberta and west central Saskatchewan. For recent corporate and investor information please access www.SEDAR.com or www.gearenergy.com.
